

## How to....

### *Login from a Mobile Device (iOS & Android)*

#### **Android Device**

To install the CorrigoNet Mobile app for Android phones, do the following:

1. Download the CorrigoNet Mobile app from the Google Play Store for Android:

<https://play.google.com/store/search?q=corrigoNet>

2. At the prompt, "CorrigoNet would like to send you push notifications," select either Don't Allow or OK, depending on whether you want to receive the notifications.
3. Enter your login name, password, and company name. The application displays a message, "Initial sync."
4. At the prompt, "CorrigoNet would like to use your current location," select OK.

#### **iOS Device**

To install the CorrigoNet Mobile app for Apple iOS devices, do the following:

1. Download the CorrigoNet Mobile app from the Apple Store:

[itunes.apple.com/us/app/apple-store](https://itunes.apple.com/us/app/apple-store)

2. At the prompt, "CorrigoNet would like to send you push notifications," tap either **Don't Allow** or **OK**, depending on whether you want to receive the notifications.
3. Enter your login name, password, and company name. The application displays a message, "Initial sync."
4. At the prompt, "CorrigoNet would like to use your current location," tap **OK**.
